

Outsourced Payroll Management Solution

A robust, scalable, and comprehensive program that manages the entire contractor payroll process on your behalf

Paxus' unique solution is designed to reduce risk and save you precious internal resources. With a single point of contact to coordinate the administration and negotiation of contracts, consolidation of billings, and guaranteed compliance, we provide the transparency that you need to manage current resources, as well as the ability to plan.

The customisable solution is available as an unbundled service that allows you to pick and choose, and only receive support in the specific areas where and when a need arises.

End-to-end payroll solution

- › Administration, including processing of contractor extensions
- › Onboarding
- › Payroll services
- › Regulatory compliance
- › Superannuation
- › Temporary Skills Shortage (TSS) sponsorship accreditation with dedicated migration agent
- › Work Health and Safety
- › Free online training
- › Contractor benefits and events

Paxus is uniquely placed to provide volume payroll outsourcing services to the technology sector. We pay over 1,500 contractors every week in Australia on behalf of a large variety of public and private organisations.

Caring for Contractors

As part of this solution, we'll take away the stress and manage the transition, onboarding, and contractor management process. Our proven transition plan means contractors are in safe hands. Just ask the 3,500+ we onboard and extend every year!

We run a customer centric **CAER (Contractor Attraction Engagement Retention) program**, providing market leading service to contractors throughout their career journey. Contractors are supported by an extensive Account Management team and their own dedicated Contractor Care Consultant.

All contractors also have access to our extensive **[Contractor Benefits Program](#)** including free training & upskilling, year-round networking functions, discounts for retail, gyms, insurance and much more.

Support beyond Payroll

Our clients also have the flexibility to leverage our full suite of services. You can augment the Paxus Payroll Management Solution with our other **[workforce services](#)** such as:

- › IT Contract and Permanent Recruitment
- › International Recruitment
- › Other Talent Solutions Services including RPO

Contact us for more information or a detailed discussion on your payroll needs.
